

Girls Clubs Review Board Responsibilities

The Honor Star, Friends, Girls Only, and Honor Sponsor reviews are nationally standardized and should be completed in your church under the direction of a Review Board. The Review Board should consist of three mature Christian women in your church. The women should not be related to the individuals completing the reviews, nor should any of them be a sponsor of a girl taking a review.

Girls and sponsors can be given their corresponding reviews at the same time in order to conserve the time obligation of the women on the Review Board. The Review Board is responsible to check the items outlined below. Use the following checklist as a guideline for your Review Board.

Note: The only acceptable reviews for recognition are the nationally standardized fill-in-the-blank reviews provided in the Mpack Girls Club curriculum and to district Girls Ministries directors. Additional oral or written testing by the Review Board or district Girls Ministries Director is NOT required.

Stars Club

*The Review Board should only verify completion of the Honor Steps. Girls should NOT be tested over the Honor Steps at this time. All Honor Steps should be completed prior to the day of the review.
